COMMUNICATION OF INFORMATION ON THE AUTHORIZATION OF RECOGNIZED ORGANIZATIONS (ROs)

1 SOLAS regulation I/6 and regulation 4(3) of Annex I and regulation 10(2) of Annex II to MARPOL 73/78 establish that the Administration may entrust the inspections and surveys to a recognized organization (RO). SOLAS regulation XI/1 also prescribes that the ROs so authorized to act on behalf of the Administration shall comply with the provisions of [resolutions A.739\(18\)](#) and [A.789\(19\)](#). Furthermore, article III of the 1978 and 1988 SOLAS Protocols and article III of the 1978 MARPOL Protocol stipulate that Parties to these SOLAS Protocols and MARPOL 73/78 shall communicate to the Secretary-General of the IMO specific responsibilities and conditions of authorities delegated to the ROs.

2 The Maritime Safety Committee, at its seventy-fourth session (30 May to 8 June 2001) and the Marine Environment Protection Committee at its forty-sixth session (23 to 27 April 2001), recognized the need to ensure that Parties to the said SOLAS Protocols and MARPOL 73/78 have given full effect to the above-mentioned provisions, and agreed to collect relevant information from those Administrations which have authorized ROs to act on their behalf.

3 Member Governments concerned are invited to submit to the Organization information on the authorization of ROs according to SOLAS regulation I/6 and regulation 4(3) of Annex I and regulation 10(2) of Annex II to MARPOL 73/78 and in accordance with the sample form set out in the annex, for subsequent circulation to all Parties.
